### Longs Peak Raspberry Wheat

"Give 'em the old Razzle Dazzle!" This one's a crowd pleaser... You'll find prominent raspberry flavor and aroma in this clean American Wheat beer. Special German Malt lends a crisp tartness that invites you to try another sip. ABV 4.6%

### Bear Lake Blueberry Wheat

Once an occasional offering, the blueberry has gained a lot of popularity. We're proud that our local Safeway has even made space for it on their shelves. Fruity and Refreshing! 4.6% ABV

### Stinger Wild Honey Wheat

Enjoy the ethereal blend of Colorado Clover Honey, Coriander Seed, and Chamomile in our flagship offering. You'll soon see why it's an Estes Park Favorite! ABV 5.3%

### Estes Park Gold

Our Amber Ale is a "Go To" beer for many. The pleasant balance of malt and subdued hops make this appealing to those who like their ale right down the middle. ABV 4.4%

### Staggering Elk Lager

Don't be fooled, these Elk can really hold their liquor! This American Craft Lager is produced with a German tradition of careful conditioning to yield a refined flavor profile. Our antlered friends really favor the Premium Malts! ABV 4.4%

### Redrum Ale

The spirit of the Stanley Hotel resides in this copper colored ale. It has an eerie red hue and a ghostly hop presence. Don't be afraid to try one! ABV 5.5%, 54 IBU

### The Shining Pale Ale

Might be thought of as RedRum Ale's "Soul Mate" beer... both inspired by and offered at the storied Stanley Hotel. 'The Shining' is a crisp, malty American Pale Ale to counter the blood-red bitterness of the 'RedRum'. What lurks beneath that bottle cap? Cascade, Amarillo, El Dorado, and Mosaic Hops! 37 IBU 6.4% ABV

### Renegade - IPA

Four pounds of American Hops per barrel make the Renegade IPA by far our most assertive brew. Inhale the strong citrus aroma and savor the lingering hop flavor! Chinook and Citra hops produce grapefruit and pineapple character. The Columbus hops and a strong resinous nuance that you can really chew on. ABV 6.6%, 63 IBU

### Estes Park Porter

Our Robust Porter lures you with it's chocolaty aroma and follows through with caramel and molasses flavor. Historically, Porters were the precursor to Stout. They can be sweeter and lack the roast flavor for which Stout is known. ABV 5.5%

### Samson Stout

Celebrating the memory of our favorite bull "Samson the Elk", we offer this Oatmeal stout. Its nutty aroma and silky texture hasten you to tranquility where you may reflect on his greatness. ABV 5.4%
